PEACH-SPECIAL

The following lots, Codes *Penny* to *Pellet* inclusive are not of our own growing, being the Surplus of one of the large Southern retail firms. The trees are strictly merchantable but do not have quite the "Class" of Chase's Alabama Grown, not as many fibrous roots, not quite as smooth as our stock; varieties a little off. We are putting a low price on this lot and they are MIGHTY GOOD VALUE AT THESE FIGURES.
